COMMENTS

1. Paul Barth hereby submits his supporting comments in MB Docket No. 05-131, in which he has proposed that the Commission to amend the FM Table of Allotments to add Channel 221A at Redding, California, as follows:

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Redding, CA	247C, 251C, 282C	221A, 247C, 251C, 282C

2. Petitioner respectfully submits that the public interest would be served by allocating Channel 221A to Redding as an additional local service at that community. Redding is an incorporated city and is listed in the 2000 Census with a population of 80,865 persons.

3. Petitioner reiterates that should this petition be granted and Channel 221A be allotted at Redding, Petitioner will file an application for Channel 221A. If that application is granted, Petitioner will promptly construct the new facility.

9. The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully Submitted,

Paul Barth
